

Ski/Snowboard Day Trip

Troop 565 is going skiing/snow boarding Saturday February 3, 2007 at Mountain Creek, NJ. It is a day trip for scouts; each scout must have an adult chaperone to accompany them.

The packages include lift ticket, rental, and a group lesson. The Learn to Ski Package restricts the skier to the beginner area only. The All Area Package gives the skier access to all areas of the mountain. Someone who has never skied before may opt for the Learn to Ski Package but beware it can not be upgraded if you want to move beyond the beginner area.

Mountain Creek also offers a meal voucher. The meal includes a choice of:

- Hamburger, fries & soda
